MUTINEERS SET ADRIFT

HARROWING TALE FROM SHIP LEICESTER CASTLE

THREE AMERICAN SAILORS SHOT CAPTAIN, KILLED MATE AND PUT TO SEA ON A RAFT.

Queenstown, Dec. 5. - Three American sailors are alleged to have killed morning. the mate and shot the captain of the British ship Leicester Castle, after cept is be which they fied from the vessel by ta-king a frail raft in the middle of the South Pacific. Such is the report of Captain Peattle of the Leicester Cas-tle, which left San Francisco July 26th and arrived here today. The al-leged mutineers were W. A. Hobbs of after the holidays. Illinois, James Turner of Portland, Or., and Ernest Sears of Idaho. Nothing has been heard of them since and Ring up Main 361. it is presumed they perished, either from hunger and thirst or by storm. The murdered mate was named Nixunder New Today.

The mutiny occurred September 2d. when the vessel was about 300 miles north of Pitcairn Island. The Americans joined the ship at Sam Francisco in place of English sailors who had eft for reasons not yet explained.

of the trouble," says Captain Peattle day evening, Dec. 18, at 7 p. m. in his report to the authorities. One, a Japanese hackdriver, was "when Ernest Sears, an able seaman fined \$5 and costs in the police court of San Francisco, called me and said this morning for leaving his horse unman had broken his leg. I went out tied. into the cabin. When I entered it Hobbs, another seaman, stepped up to me and said: 'Now then Captain,' have been received by the Y. W. C. A. at the same time he fired point blank library. at my heart. The bullet entered my breast a little over the heart. I closed with him and we had a rough and tumble fight of it in the cabin, during morning. which I was wounded in the arm, and ayered about the head with a club. The Mate Is Killed.

"The mate came to my assistance. Hobbs killed him with a shot through the heart. Then help arrived and Hobbs made off. He left me territary arrived in the Zealandia and will aswounded with five bullet holes and therwise injured by clubs

Mutineers' Filmsy Raft.
"The mutineers made their frail raft out of loose planks and coops dur-ing the night. They put some provisions aboard and are supposed to have had enough food to last them a

The captain is unable to account for the mutiny. He supposes it was the intention of the mutineers to murfused to join them and take the ship to Pitcairn Island.

Pitcairn Island is a solitary island n the Pacific ocean, situated in about latitude 25 south and about 130 west. It is two and a quarter miles in length and has but one landing place, at Bounty Bay. The island to amous as the scene of the foundation in 1790 of a remarkable colony comship Bounty.
